One of our big investments this year, was a Rinehart Big Game Moose Target. This creature stands a whopping 6’10” in height with a length of 7’6”. Not an easy target to carry to the shed!

Thanks to all the raffle ticket buyers we were able to purchase this moose along with deer targets including a fallow deer. We also were able to replace several cores on our existing 3-D targets. THANKS FOR YOUR SUPPORT!

NORTHWOODS ARCHERS SUMMER OVERVIEW

Amongst our visitors at the club this year was Queen Bee and her tribe of honey bees. This nest weight was estimated at over 80 lbs. We were able to relocate this tribe thanks to a local honey maker.

2010 had to go down as one of the hottest years for archers participating in our Thursday night summer league and those braving the heat during our 50-Target tournaments.

Despite the unpredictable weather, we had 81 shooters show up for our July tournament with another 99 coming to the August shoot.

One way of beating Northern Wisconsin's summer heat was to demonstrate your shooting skills with our newest novelty shot, the flushing toilet. Bow shooters had to break a colored lifesaver at 18 yards in order to flush the latrine. A "volunteer" sat, waited and heckled this skilled archer in an attempt to rattle him enough to miss. As shown below with Marvin Lavin and Lee Splude, this wasn't always the end result. What a way to cool down!

The Northwoods Archers clubhouse is a great place to bring the family for some great outdoor fun. Pictured to the right is Adam Lindahl with his wife and children. Adam has been an active member of our club and steps up to the plate, and does whatever it takes to keep the club operating. This includes swimming to retrieve targets overtaken by our storms this year and filling in on the dunk tank to entertain our archers. Thanks Adam and family!

Good luck
Hunting!
