Black River Sportsmen Indoor Tournaments

Looking for something to do during the archery off season? Why not try shooting an indoor brush shoot at the Black River Sportsmen club in Withee? Archers shoot at cardboard and 3-D animal targets set at various yardages ranging at 20 yards and under. Course is set with pine trees, corn stalks and cattails; targets will spin and jump. Trees will move to give a windy day effect. Come out and shoot the course. This is a great way to keep the dust off the bow and keep your archery skills in tune all year round.
